trouble! Fortunately his friend, Nike, passes by this street and he sees Orlando is in danger and comes to help. After that, they kill every one and Nike goes away.

Afterwards Orlando sees there are a lot of streets and he has to find the right street. With intelligence, Orlando manages to find the way.

Before long he arrives at a very tall and dangerous mountain. Orlando is a very courageous and intelligent man. He walks 3 mornings and 3 nights, and finally he manages to get through.

Then Orlando still has to cross an enchanted river. This takes him 2 days.

When Orlando arrives at the temple on Treasure Island, it is very mysterious. He takes all of the treasure and when he goes out, the temple shatters.

Finally Orlando returns to Dragon castle. He is very happy and he gives the treasure to poor people.
