

The Perfect Park

By Juliana, Gisselle, and Dabian

The Perfect Park is the most fun park in the world!

In the Perfect Park, there is a funny clown. The clown gives balloons to the boys and girls but there not just regular balloons. The clown makes the balloons into airplanes, princesses, dinosaurs, butterflies, giraffes, and other **ENJOYABLE** things.

In the Perfect Park, there are bumper cars. You can see the bumper cars next to the swing set. You drive the bumper car into other bumper cars. Just one person can ride in a car. It is really **AWESOME!**

In the Perfect Park, there are two fun roller coasters. One is big and one is small. When the roller coaster goes up the mountain, it's slow. When it gets to the top, the roller coaster goes very fast. Then, the people scream "AHHHHHH"! It loops two times and it feels **AMAZING!**
