

SWATI (10) AND ADRIEN (11) Noisy le Grand - FRANCE

In the perfect park there is a beautiful waterfall where you can swim. The waterfall is next to an aquarium. There are a lot of fish species.

At the end of the park, there is an archery area. You can visit a haunted castle. There are scary rides, shows and films.

There is a park for little children and a small train which crosses the park. We can have a walk along a nature trail and there is a massage room for parents to relax.

In the perfect park there is a free camping site and a place for fishing with benches and people with wheelchairs can visit the park. In the middle of the park there are shops, restaurants, a magic show and Grand Canyon Rapids and for little girls a princess house where you can dress up like a princess. There is also an indoor ice-rink with ice-dancing shows in winter.

It is not expensive to visit the perfect park and there are litterbins everywhere so the park is very clean.

The Perfect Park Project

a V-Key Pals project at MES-English.com
