How Did Arthur Become a Superhero?

Arthur was born in 1699. Arthur was an astronaut. He was in his spaceship and they took off to Mars. So when they got to Mars they were looking for aliens. They found lots and lots of aliens. So they ran as fast as they could. Arthur's friends took off without him. The aliens put some of their hot lava on Arthur's body and he turned into Fire Face. Then he said, "I'll destroy my enemies." He found the aliens and killed them. He killed every alien and now Fire Face saves people from crime.
